Good afternoon,

I hope you are well.

I am following up on my previous email to you in relation to the 2021, Global 100.

I can confirm your recognition is as follows;

It is a requirement for all of our programs of recognition to receive no less than 21% in votes from the global readership, currently in excess of 293,000. This policy is applied to further endorse the worthiness of the awards presented and any marketing carried out as a result of the awards process.

The official Global 100 - 2021 edition will be published and distributed to our global readership shortly.

The benefits are;

All awarded individuals, firms and organisations will be referenced via the publications comprehensive index of winners, showcasing the elite few.

The official Global 100 generic 'Winners' logo will be provided to all of the 2021 winners shortly.

Where a firm selects an option for coverage, the logo provided will be personalised to include the firm's name and the recognition, along with the consecutive number of years the firm has been recognised.

All individuals, firms and organisations recognised in the Global 100 program, are permitted to utilise the official logo, providing further benefit, in terms of key marketing campaigns and/ or website illustration.

Each Global 100 firm will also receive a news release, from our Editor in Chief, Richard Baker. This news release will be included for a full 12 months, within our Global 100 website along with each firm's logo, thus providing further endorsement to each Global 100 recipient.

We are able to provide branding opportunities via the official Global 100 – 2021 edition.

I am available to assist further should it be required.

Please simply contact me via email or on +44 (0)20 3291 3493.

We look forward to assisting further with any requirement you have.

Best regards,

David Wakefield
