PLUS! BRAND NEW FOR 2005!

Practical group discussions will allow you to ask your burning questions and raise pertinent issues at Africa's Women in Leadership Summit 2005 - so formulate your questions and come prepared.

PANEL DISCUSSION: When Leaders Set Up to Fail

Leadership failures today are happening at an alarming rate. In this interactive roundtable discussion, accomplished leaders will address the fundamental reasons why and when leadership fails. Panellists will openly discuss within the context of succession, the role the ongoing leader plays, planning for leadership and making the leadership transition

PANEL DISCUSSION: Facing the Alarming Gender Gap in Corporate SA

In a compelling panel discussion, accomplished leaders will address the barriers facing women in Corporate SA aiming to create a blueprint for real change. Panellists will openly discuss what's working, what's not and what women and men can do differently now to empower their organisations to think and act differently
